President's message

There was a few days at the end of January that the sun broke through the gray and somedays rainy skies. The calendar sales are doing well. Have you bought a calendar yet? There are still many more weeks for the raffle drawings. Many of the winners are buying another calendar. Thank you to the members who have bought and have sold the calendars. Bill Dedini has sold 112 calendars. If every member buys one we will reach the goal of 500 calendars which will benefit the club!

The club has been busy with birthday celebrations, a wedding, and several celebration of Life. In the coming month, we hope to see the club busy with other functions, like the Super Bowl game pot-luck. Member's have been bringing in snacks and food to share. Thank you. Maybe we will get a few more cooks for the Friday lunches and Special dinner's. If you paid your dues, pick up your membership card from the bar. The new door and gate codes are on the back. "Lifer's can get the code on a sticker also from the bar. The "use new code" will be posted on the door once it is changed.
