VOLUME 12 ISSUE 9

September 2018

President's message

There have been a lot of HOT August days and nights! Fall is coming fast. In the next few months there are holidays coming up and we need members to take charge and organize a event. Please contact me or a Board member if you are able to help. The General membership meetings will resume on September 13th. A Nomination committee for next year is needed. What you can do to help our club. Have you done your 8 hours for the year.? Your ideas and suggestions are welcomed. A work party is needed and someone needs to organize it. The club is doing well, thanks to the members that support our club. The club will open for Labor Day, Monday, September 3rd at noon. Pot Luck, so bring things to share and be there to celebrate all day! The 2019 Gun Raffle calendars are going to be available to sell soon. This fund raiser makes a lot of money for our club, if members buy and sell them. People are asking when there will be another Steak dinner, as we have had in the past. I want you to know that it takes more than a couple of members to do this event. If you are interested in helping us put this on. We need members to sign up to help, before we can commit to this and other events. Thank you for all members who have been there and continue to support our club.
