August was a hot month; however, everyone came together and made the best of it! I'd like to thank the Port Stockton Boaters for holding your meeting in the smaller hall so the Burns family could set up Bob & Evie's memorial (who were members of each club). Special appreciation goes out to Tomas for bringing volunteers together to make Tent City such a success! I'd love to thank more; however, Tomas said it best:

"Tent City 2024 – Great turnout, looking forward to making it better next year. The club did good. Thanks to all our members that attended and showed support. Special thank you to our board for allowing us to have it and all their support that came with it. It takes a lot of members to make an event happen and all the donations help our club survive. Following is a small list of the members involved if I missed your name, I apologize: Pat C, Ron & Gloria H, Mark S, Don, Robin, John F. III, Terry F, Robbie & (Dad) Bargain, Rey O, Amanda, Cheryl, Kay, Jason, and our bartenders – Thank You!

DJ Borracho (Tomas)"

City of Stockton Code Enforcement Task Force had a community outreach program on 8/30/24. Our hall was a donation geared toward community involvement. It was a success.

I'd really like to show gratitude for Jim B for doing the website, emails, Facebook, and newsletters for so long. It is a ton of work, and we are now distributing it out within the current board. Thank you, Jim! We appreciate Ron H (son-in-law) fixing the fridge and replacing the walk-in compressor! Thank you, Steve Orosco, for our last general membership Steak Chicana meal and street taco dinner! Thank you, Kay, for the Chicken & pasta meal. Ron & Rob hosted a rib luncheon with corn, beans, potato salad, and bread for \$15. It was a great success as always! Thank you! The Bush & Neubecker Crew hosted Friday lunch of Chicken or Shrimp Salad, and garlic bread! Thank you! **Speaking of Friday lunches – they're back on the following dates: 9/13, 9/27, 10/11, 10/25, 11/8! If anyone would like to fill in the other dates, please let us know!**

Please be careful in the side hall as construction is *still* underway. Sheetrock is up- then texture, painting, and replacing the lights. The allocated funds have run out so we're relying on donations and volunteers. We're also busy getting the back bar beautiful for hall rentals! The receiving area was cleaned and organized. The gangway and Cowboy Corral near the hill is still currently unsafe and is closed until further notice. There is a plan in place for repairing & replacing as needed. Please let us know if you'd like to help and/or donate items needed!

Point Weber left on August 14th. Pat, the new owner of the vessel, donated life vests and are in the black box near the gangway.

Many events are scheduled! Besides Friday lunches, we also have Monday Night Football starting Sept 9th with chili dogs (1/\$6 or 2/\$10). Port Stockton Boaters are doing a tri-tip/Shrimp dinner 9/21 @ \$40/person. There are tickets behind the bar. Support between clubs will help us all thrive! The SRG vs PSB horseshoe tournament was scheduled for the morning of 9/28 but is now postponed until further notice. That night the Stockton Election Forum candidate meet & greet will be between 5-8 in the hall. We're looking forward to the kids Halloween party, Luau (both dates TBD), Riverboat Dart Tournament on October 4-6 and Fish Tournament November 8-11! We'll need all hands on-deck and lots of raffle prizes! Donations and volunteering are what keep us afloat and are appreciated!

We have a club-wide clean-out scheduled for Sunday, Sept 15th (and possibly the 22nd depending on turnout). I'll have a trailer and will be making a dump run. If anyone is available, please come on down and help. Please donate supplies or donations if you are unable to work the 8-hour requirement per our By-Laws.

See you at the general meeting where we'll discuss topics such as the Sea Scouts, cats, a possible membership reinstatement, a fundraiser such as calendars and more. The By-Law committee is busy getting policies and procedures in place, so actions have consequences. Get ready membership committee, because nominations are near.

Your board cannot do anything unless you say something. Speak up, we're listening! Fill out the suggestion box or come to a BOD or general meeting. Come socialize and help with solutions. We all cherish our beautiful oasis. As a second-generation member, I love to see traditions upheld and when we all come together, we flourish! We are a great club, and I am proud to be part of it. Thank you to everyone who volunteered! Keep up the great work!

Fishing Report

DELTA— Striped bass continue to migrate into the Sacramento side of the Delta, and they are scattered from Suisun Bay north into Liberty Island. A large school is found between Rio Vista and Collinsville, and trollers along the West Bank are catching and releasing numbers of legal fish. The grass has been a deterrent, and the best action without having to constantly clear lines has been as the tide slows down. In the north Delta around Liberty Island, the stripers and largemouth bass are feeding in the shallows, and the largemouth are starting to orient to structure, particularly wood. Flipping or punching in the grass are the top techniques. White sturgeon will reopen for catch-and-release only after a review by the Office of Administrative Law expected to take place by early September.
