September flew by fast! I'd like to thank Steven O. and crew for the spaghetti general meeting meal, street taco event, and Monday/Sunday night football chili hotdog meals, and Bush & Neubecker crew for chicken parmesan and chicken/shrimp Friday lunches! Thank you also to everyone who came to feast!

Due to increasing costs, the board has increased drinks by .50 each and dues to \$250/per year. Unfortunately, I must post another reminder not to give out the code or open the door for any non-members. Also, please be aware there is a three-day parking limit. Sometimes unforeseen things happen, but you must report them to a board member. Letters will be going out per board.

Our club work party on September 15th had a low turn-out, but we made GREAT progress! The backbar was painted by Sarah F. Randa cleaned all of the hall tables, and wiped down hall walls. Don W. cleaned out our shed, Teresa and Kaylyn wiped down and replaced all the candle lights in the hall, Terry F pressure washed the back patio, Michael cleaned the kitchen, Rob W, Jason N, Kay J, Teresa S all cleaned out the table storage room and threw out debris and broken cupboards from the back patio. Cheryl B. hauled 1,360 lbs to the dump (trailer donated by Harold B). Thank you everyone! It was a productive success!

Glenda B donated the back patio paint which is currently being painted by the Sea Scouts. They'll complete the job on Saturday 10/12. They've been very respectful so if you see them around, please buy them water or soda!

The fans donated and installed by Shawn C. are amazing! They've really made such an improvement in the back area. Thank you, Shawn!!

The gangway is fixed! Thank you, Rob and Josh (Ron H's son), for working on it! The wood was put on by Steve S which was donated by Lloyd & Floyd H. Luckily it happened prior to a boating accident where it was used by emergency personnel. There is still a plan in place for replacing it. Please let us know if you'd like to help and/or donate items needed! Please note, donations may be made in lieu of our 8-hour requirement per our By-Laws. There is a chicken dinner hosted by Ron & Josh H, Jason, Kay, Rob & Chuck to fund the replacement on Saturday, October 12th for only \$15/plate.

The Riverboat Classic Dart tournament was a success! Donations and volunteering are what keep us afloat and are appreciated! I really want to thank Kay who bought and cooked several meals throughout the weekend! They were a success, and all sold out. Jason, Don W, Sarah F, Randa, Sarah A, and Teresa were also in the kitchen volunteering. Thank ya'll for helping make it a success!

Please see the following nomination committee members – Mario, Glenda, Jim, Victoria, Robin, and Bob if you'd like to run for the board! The way to make a difference is to step up and help. I have been very proud of some of our members lately who have really been there when needed.

We have the kids Halloween party/pumpkin derby October 26th. An adult costume contest will be held after.

Fishing Report Updated Oct. 8, 2023: California Delta: DELTA, San Joaquin side — Striped bass continue to happen on both the Sacramento and San Joaquin sides of the Delta, and Jeff Soo Hoo of Soo Hoo Sport Fishing out of Lauritzen's Yacht Harbor in Oakley reported great action on the San Joaquin drifting live mudsuckers for quality linesides. The stripers are schooled up enough that live bite is now an option. With schools of stripers still in San Francisco Bay and the amount of shad in the Delta, this fall has the possibility to be outstanding for striped bass. Largemouth bass action has been tough for some while others are finding solid fishing. Fresno-native Vince Borges of Vince Borges Outdoors reported finding better fish on paddletail swimbaits in shad patterns since 'there are shad everywhere.' Punching, frogs, or chatterbaits are also working, but the best fish are coming on the swimbaits. He added, "The bite is kind of tough, but we saw plenty of good fish, and my partner, Chad Frie, landed one at 7.70 pounds. The stripers are chasing bait in the south Delta, and they are busting bait on surface with the birds working. You can pick out around 10 fish before they scatter and pop up again further up or down stream. The water temperature is still warm at 76 degrees in the south Delta."

*In Honor of Judy Bailey, we will be having a
potluck in her memory on Saturday,
November 16th 2024 beginning at 1:00pm.*
