**Incorporated February 14, 1941**

*Club Mission/Slogan: To Conserve  
and Restore the Wildlife and  
Natural Resources of California*

### **Welcome Back SRGC!**

We are thankful to say we have resumed our normal hours of operation!

**Mon-Thurs:** Open at 2PM **Fri– Sun:** Open at 12 O'clock Noon

The Board and Bar Staff appreciates your patience during our reopening process. We've experienced a few setbacks with our Beverage vendors, due to backlog on deliveries caused from the mass surge of retailers reopening across the State.

Additionally, we want to provide a warm Welcome to our new members who have joined our Club. We encourage you to visit often, attend the monthly General Membership Meetings, and get involved with Club activities by sharing your skills and experiences. As Our Nations Health and Safety restrictions continue to ease and life heads toward Normality. We can plan future functions within the current Safety Guidelines for the months ahead and 2022. Come to the July General Membership Meeting for info.

## *Attention Chefs!!! Friday Lunches at The Club:*

Many Questions have been asked about resuming the Weekly Friday Lunches. There is a Volunteer sign up sheet located behind the bar. Choose a date and indicate if would like to Cook, Serve or assist with kitchen cleaning duties. If you are not able to physically help you may sign up to donate a desert or supplies. This is a Great opportunity to complete your annual membership volunteer hours. In past, there was a small group of members doing majority of work. So with team work we can accomplish a rotating list to ensure a fare workload for everyone and still enjoy everyone's delicious lunches! Friday August 6, 2021 will be the target date to begin Lunches. Provided we have coverage for each Friday. If you have questions please contact Kitchen Committee Chair Kay Johnston, a Board member or complete the Sign up sheet in bar.
