

# *Stockton Rod & Gun Club Inc.*

*January 2022*

*Dear Members,*

*The SRGC kicks off a brand New Year. They say, "There is a time and place for everything". Well, is the time, and the Stockton Rod and Gun Club is definitely the place. As we continue to see positive change within the Club, we must acknowledge and Thank all the members who have gotten involved in the Club by maintaining infrastructure needs, volunteering to cook, clean and support events. It really shows, and relieves the stress off those members that to on the majority of duties. Big thanks to the many members and community who gave supplies or monetary donations. Your generosity does not go unnoticed.*

*A huge Congratulations goes out to the SRGC members elected to the 2022 Board of Directors; President-Linda Black, Board of Directors-Domenick Dicce, Don Weaver, Jason Leuenberger, Jim Bohacek, John Navarro, Shaun Owens, Terrance Fields, Tim Huitt. We have a very diverse group, the members voted and made history in the process with the number of members who ran for a position. It is a must that we address the concerns of the Membership. The Board of Directors would like to refer all members to the current By Laws and Rules set to ensure safety and structure. There is no magical solution to the issues and challenges we face. However, if we bring good intentions and commit to treating each other with dignity, respect, and work together as a team to organize our Club, nothing can stop us. The goal is to bring attention to the Bylaws and Rules set forth by past members of our organization. It is a vital part of our Club. The Board of Directors has a duty to enforce Rules in place and Board decision will stand as final.*

*Remember, all members add a piece to the puzzle. It's fact that money pays the bills, but your time, teamwork, and dedication builds the strength of the Club's future. Let us continue to grow our Rod and Gun family by bringing in more great members. The Club dues and the annual fundraisers/events make up a large percentage of the funds needed to operate. Please take time and pay your Dues (\$200) and Thank You to those who have done so already.*

*So, with that being said, Stockton Rod and Gun Members, reel in your rods and holster your guns, it's time to celebrate Hope to see everyone at our General Meeting for Dinner and our Instillation of new officers.*

*The President/Board of Directors wish all members and their families a safe and very happy new year!*
