Presidents Letter

Summer is here and things are happening at the Stockton Rod and Gun Club.

Pool tournaments are held every other Saturday and are being enjoyed by many members and guests.

I would like to thank the members for volunteering to make the club a better place. Don & Beth, Val, Kay, Cherlyn, Linda S, Lyn, Judy, John N, Don S, Robin B, Mark F. Charles.

Also thanks for coming out and supporting the Bake Sale we had on May 29th. Lots of good treats were sold.

Big thanks to Mark Ford and crew for doing 2 of the Friday lunches last month. They were delicious.

We have a lot going on at the club in June. Hope to see you there.

Linda Black
President

Fishing Report

DELTA

RATING - GOOD

Striper fishing is in full swing and has been on fire for a lot of anglers. Trolling, bait fishing, and casting lures have all worked very well on the right tides. Yo-zuri, and p-line predator lures are the preferred option for most on the troll. Cut sardines, or anchovies are great for bait fishing. Try to utilize jerk baits, swimbaits, glide baits, or zara spooks for casting lures.

LAKE AMADOR

RATING - GOOD

The lake is at a very high level for this time of year surprisingly. There are a lot of trout cruising shallow in the early mornings. Not as many limits coming out right now, but fish are being caught daily and some are of very good size. The boat dock, the dam, and the launch channel have all been turning out nice fish lately. Nothing to report on bass at this time.

Fishing Report

SACRAMENTO RIVER

RATING - GOOD

Sturgeon is at a crawling pace and looks like it may be over until next year. Some nice striper have been caught lately on drifting live minnows and on the troll with yo-zuri and p-line predator lures.

SAN FRANCISCO

RATING - FAIR

Halibut season is doing very well with regular limits. A lot of striper are being reported as well. Some salmon fishing has been going on but it has not been lights out just yet.

Volunteer Corner

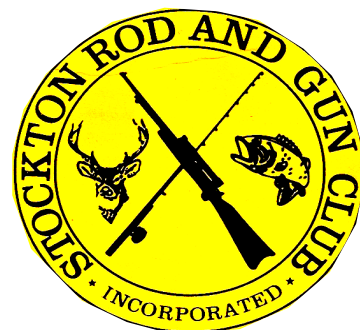

I love it when members have great ideas about how to improve the club. Its even better when they act on the opportunity. If you have something that you would like to do at the club just let me know and I will help you get it done.

Jim Bohacek - Volunteer Chair
