Stockton Rod & Gun Club May 2024

Presidents Letter

May is the month of expectation, wishes, and hope. Our faithful club is full of them all! We are reviving by doing necessary repairs such as the back wall near the kitchen. A big THANK YOU to Phil Beghtel for getting the wood, Anthony Dutra, and Jason Leuenberger for replacing the wood siding (while it was windy) and Don Weaver and John Gone for painting! Dorcy cleaned up the debris, which is always appreciated! Thank you, Teresa, for calling and following up with Pepsi to get our new (free) backbar fridge! Don & Robin are doing a wonderful job with taco Tuesday! Thank you everyone for stepping up! If you'd like to volunteer, please contact us! We're in dire need. I'd love to have a big dinner for the second quarter, so please share your ideas.

There are a few projects coming up including: painting the outdoor patio railing, backbar, restrooms, and deep cleaning the tile. Please let us know if you'd like to help! I'd like to have a work party (possible date of June 1st) which we can discuss at the general meeting.

I'd like to welcome our new bartender, Carla! Welcome to the family!

Approximately 60 of our new cane poles are missing. The old ones (approx. 40) are still there. If someone moved them to a new spot, please let us know. Mario is hoping to have about 100 for the Walter Banks Fishing Derby on June 8.

We have Cinco De Mayo and Bingo coming up (see enclosed flyer), and general meeting on Thursday, May 9th! Hope to see you around our wonderful club!

Amanda Combie
President

Fishing Report

DELTA, San Joaquin side —Striped bass have moved into the San Joaquin River and drifting live bluegill has been most effective in the central and south Delta around Connection Slough, the Stockton Turning Basin, Venice Island, and Fourteen Mile Slough. In the western portion of the river, trolling deep-diving lures on the Santa Clara or San Andreas Shoals along with the stretch outside of Eddo's Marina has been productive. Largemouth bass fishing is picking up steam with the best bite in the south Delta. Targeting east/west sloughs with sun exposure are the best option, and while finesse techniques are working, there are windows for a reaction bite. The bass action will only improve as we move toward the second wave of the spawn with the coming full moon.
