

# How to Join Panorama Sportsman's Club

So you have decided to join Panorama Sportsman's Club. The process may seem daunting at first, but this checklist will help you keep track of what you have done, and what you still need to do.

- Come to your first meeting and fill out an application. The application requires two sponsors (members in good standing) and a \$50.00 deposit which will go to your first years dues. Regular meetings are held on the second Wednesday of each month at 7:00 PM.
- Attend a Board of Directors Meeting. These meetings are on the fourth Wednesday of each month at 7:00 PM. This is an opportunity for us to get to know you, and for you to ask us questions.
- Attend a second regular meeting. At each of the regular meetings, your application is read to the members in attendance and you are questioned on your desires to join us.
- Complete work party #1. This can be anything approved by the Board of Directors including CRC work parties, weed spraying and cowboy set-up/tear down.
- Complete work party #2. This can be anything approved by the Board of Directors including CRC work parties, weed spraying and cowboy set-up/tear down.

Once all your requirements are complete, the members in attendance of a regular meeting will vote on your application. This can be as soon as your second regular meeting if you are proactive in getting your work party commitment completed, but most candidates take a little longer.

We look for candidates with real interest in our activities and the shooting sports. We want and need members who participate and are happy to carry out their share of the many chores required to run a cooperative venture. We insist on safety consciousness and common sense. Any reasonably pleasant man or woman, who demonstrates that profile will, in all probability, be voted in.
