GILLY'S HOUSE SERENITY GARDEN PROJECT

A link leading from the past to the future, Gilly's House is a residential program for young men who have struggled with addiction and want to continue their recovery. It offers a stable, structured, supportive and safe environment to achieve personal goals while attaining the transitional life skills necessary to reintegrate into community life. Caring for the needs of each individual, Gilly's House collaboratively works with each young man to develop personal goals and a plan to reach them. www.gillyshouse.com

The Serenity and Memorial Garden will begin construction in the spring of 2019. In addition to the walk-way there will be a waterfall, fountain, koi pond, benches as well as beautiful plants, flowers and trees. This oasis will be a place where residents and their families and friends can enjoy the surroundings and reflect during recovery.

This memorial brick walkway is not just for those who died from substance abuse disorder. Bricks can be purchased for any loved one, regardless of how they passed.
