### Mailing Location

Anthony Finateri  
Department of Public Works and Transportation  
148 Martine Avenue, Room 507  
White Plains, NY 10601  
(914) 995-2543

**Located in the Department of Public Works and Transportation – White Plains:** Under general supervision of a higher-level maintenance or administrative position, incumbents perform skilled mechanical repairs and maintenance of heavy equipment (gasoline or diesel self-propelled and non-self-propelled engine equipment). Incumbents are responsible for a wide variety of repairs and maintenance work on all types of landfill, automotive, diesel and heavy equipment vehicles. This position does performs maintenance and repair exclusively on a variety of vehicles, and work is not limited to passenger cars. In addition, this class is responsible for carrying out a preventive maintenance program, required maintenance, and mechanical repairs on disabled equipment in the field. This class differs from the Auto Mechanic III by the complexity of assignment and the requirement of various licensures. Incumbents may function as lead worker on specific projects. Does related work as required.

### Required

Possession of a high school, equivalency or automotive trade school diploma and three years of experience where the primary responsibility of the position was performing automotive repair work.

### Substitutions

Satisfactory completion of 30 credits of post-high school education in the field of automotive repair or maintenance, or closely related field, may be substituted for one year of the above stated experience.

### Special Requirements

(1) Possession of valid license to operate a motor vehicle in New York State appropriate for equipment at assigned location. (2) Possession of a valid Air Conditioning Recycling License, issued by an EPA approved organization. (3) Possession of a New York State Motor Vehicle Inspector License with Light vehicle endorsements. (4) Depending on work assignment, must meet standards of OSHA regulation 1910.134 Respiratory Protection, and will be required to meet Federal, State and local standards with respect to health and safety.

### Notes

(1) The number of years of experience required in the minimum qualifications is based upon the presumption of full-time employment. Part-time experience will be prorated based on a 35 hour workweek. (2) Verified and documented volunteer (unpaid) experience will only be credited when specifically allowed by the job description or examination announcement.

**Special Notes**

Education beyond the secondary level must be from an institution recognized or accredited by the Board of Regents of the New York State Department of Education as a post-secondary, degree-granting institution.

**Salary:** \$59,195 - \$73,785

**Submit:** Application (XD-10) and resume

**Include the control number of this job posting on your application (XD-10). An application fee is not required at this time. Please submit an application (XD-10) and resume.**
