

# School Schedule

Regular and on-time attendance is expected. Student absence for student illness, family emergency, or religious reasons will be marked as 'excused'. Please provide documentation whenever possible.

Students arriving late to class without a note from a medical or therapy office will make up valuable class time at a study hall held during recess. Although we do our best to provide the required instructional hours to tardy students, no time is as valuable as that spent with the teacher after an on-time arrival. On-time arrival and regular attendance are required by the State of Florida Department of Education. Absence in excess of 15 days per 90-day period, or 18 days per school year is subject to expulsion, and may be reported to the Department of Education for truancy.
