1. Capability Statement

Effective Date: 2026

Business Name: Prospira Solutions

Website: <https://prospirasolutions.com.au>

Prospira Solutions

Systems. Safety. Structure.

WHO WE ARE

Prospira Solutions is a business consultancy specialising in structured systems, compliance, and operational improvement. We support businesses to move from reactive operations into controlled, scalable environments.

WHAT WE DO

We deliver SOPs, WHS systems, risk frameworks, and operational improvements designed for real-world use.

CORE SERVICES

- **SOP Development**
- **WHS Systems (SMS, SWMS)**
- **Risk & Compliance Frameworks**
- **Process Improvement & Optimisation**

HOW WE WORK

We focus on clarity, structure, integration, and sustainability — ensuring systems are implemented and used effectively.

WHO WE WORK WITH

Trades, SMEs, growing businesses, and organisations needing compliance and operational structure.

OUTCOMES

- **Improved efficiency**
- **Stronger compliance**
- **Reduced risk**
- **Scalable growth systems**
