

## Fairmont Recreational Assets Survey Frequently Asked Questions (FAQ)

### **1. What is the purpose of this survey?**

This survey is intended to gather community input on Fairmont's recreational assets and priorities for future investment. The results will be provided to the City of Fairmont to help inform planning and decision-making.

### **2. Who is conducting the survey?**

The survey is sponsored by Citizens 4 A Strong Fairmont and is administered using an independent, third-party survey platform to ensure secure and unbiased data collection.

### **3. Is the survey anonymous?**

**Yes.** The survey is completely anonymous. No personally identifiable information is collected, including names, email addresses, phone numbers, or IP addresses.

### **4. How is my response protected?**

Survey responses are securely collected and stored by an independent third-party survey platform using industry-standard security practices. Once a response is submitted, it is locked and cannot be edited, deleted, or altered by the survey sponsor or any City official. Individual responses are not accessible for modification. Survey reports are generated directly by the platform and exported as a complete dataset, preventing selective editing, filtering, or manipulation of results.

### **5. Who will see the survey results?**

Survey results will be reviewed only in aggregate form. Individual responses cannot be identified or traced back to any respondent.

### **6. Will the survey results be made public?**

Yes. After the survey closes, a PDF summary report of the results will be generated and provided to the City of Fairmont. That same report will be posted on the Citizens 4 A Strong Fairmont website, ensuring the public has access to the same survey results as City officials.

### **7. How long does the survey take to complete?**

Most respondents complete the survey in approximately 8–12 minutes, depending on how much detail they choose to provide.

### **8. Do I have to complete the survey in one sitting?**

No. If you need to stop before completing the survey, your responses will be saved and you may return later to continue, provided you use the same device and browser and the survey remains open.

### **9. Can I change my answers after submitting the survey?**

Once a survey response has been submitted, it cannot be edited. This helps ensure the integrity of the survey results.

### **10. Is there a deadline to complete the survey?**

Yes. The survey closes on February 17, 2026.

### **11. Who can I contact if I have questions?**

If you have questions about the survey, you may contact [Citizens4AStrongFairmont@protonmail.com](mailto:Citizens4AStrongFairmont@protonmail.com).
