## Rotary Club of Huntersville

### HUNTERSVILLE HAPPY HOUR MESSAGE

**By President Mike Fitzgerald**

I hope everyone had a great week and was able to get back to some normalcy after Hurricane Florence.

On Friday we had our dedication for our District Grant Project at Huntersville Elementary School with students and Mayor John Aneralla. The weather was perfect, and we were able to stay cool under the new shade we installed on the playground. Our club was presented with many thanks from the faculty, students and parents for all of our hard work! Enjoy this beautiful weekend and I look forward to seeing everyone Monday night where we will hear from John Stengel on cyber security. Don't forget to bring a friend!

### September 24 – Program

**John Stengel – Cyber Security**

Founder of a cyber security business helping companies set up firewalls and to protect their computers and employees from outsiders. His company was one of the first to do website blocking. His company does testing assessments for churches and schools. The original goal was to prevent employees from abusing company equipment, but it morphed into preventing harmful materials from being accessed on company computers, such as identities being stolen and pornography.

### Hurricane Relief Fund

The District has a Donor Advised Fund (DAF) if you wish to contribute to the disaster relief efforts. Our district has offered to use our DAF as a collector/distributor of relief funds. A multi district Advisory Committee will make the decisions regarding the distribution of the funds from the DAF as needed to the affected areas. Please keep all the first responders and people affected by the storm in your prayers and keep "Being the Inspiration."

## Club Officers

Mike Fitzgerald  
President

Mark Kincer
