HUNTERSVILLE HAPPY HOUR MESSAGE

By President Mike Fitzgerald

We had a Sunday for our end of Summer social at Tailrace Marina! Thanks Peter for putting this together and to Bob and Ineke for allowing us a day of fun on the water!

Last Monday we had John Stengel from JSCM Group speak to our club about cyber security and how his company does testing assessments for schools to help protect children from the dark web.

This Monday Adrienne Craighead will visit our club and speak to us about Demystifying Digital Marketing.

See you all Monday and don't forget to bring a friend!

October 1 – Program

Adrienne Craighead – Demystifying Digital Marketing

Founder of TorchBearer Business Growth Advisors and is the culmination of a lifetime of experience in sales and marketing. It is her personal platform to work with people I like, for companies that I admire and on projects that I enjoy. My sole focus is to help business leaders reach their goals (whether it be sales goals, marketing goals, training goals, or even communications goals.)

Last Week's Program

John Stengel – Cyber Security

Founder of a cyber security business helping companies set up firewalls and to protect their computers and employees from outsiders. His company was one of the first to do website blocking. His company does testing assessments for churches and schools. The original goal was to prevent employees from abusing company equipment, but it morphed into preventing harmful materials from being accessed on company computers, such as identities being stolen and pornography.
