Rotary Club of Huntersville

HUNTERSVILLE HAPPY HOUR MESSAGE

By President Mike Fitzgerald

Last Monday we had Annmarie Reiley-Kay and spoke about Historic Latta Plantation.

What a busy week our club had. We were at Huntersville Elementary this week educating the kids on what Rotary is and how we are helping to eradicate Polio around the world. The kids participated with the Paint Purple Pinkie to help end Polio. Over the weekend we teamed up with the Mayor and Huntersville Police cleaning up the Huntington Greens neighborhood.

There is no meeting tomorrow night. Instead we will have a social at Eleven Lakes Brewery. Hope to see you Monday night and don't forget to bring a friend!

Last Week's Program

Anmarie Reiley-Kay – Latta Plantation

Executive Director Annmarie talked to us about Historic Latta Plantation.

It is a circa 1800 cotton plantation and living history farm located within the Latta Nature Preserve in Huntersville. It is a bit of local history that was very interesting.

October 24 – United Nations Day & World Polio Day

This week we educated each morning a different grade at Huntersville Elementary about how Rotary started UNESCO, later the United Nations and how Rotary got involved in eradicating Polio. We are almost there. Only 3 countries left. For less than \$1, you can help a child in another country. Students will bring money to school and will get their Pinkie Painted Purple, just like the children that will get the immunization drops in Afghanistan, Pakistan and Nigeria.
