Rotary Club of Huntersville

PRESIDENT'S MESSAGE

By Mark Kincer

Happy Sunday Happy Rotarians! Another week of the new normal for all of us. Another week of everyone doing their part to stop the spread of this awful virus. We have learned how to live with less. Cook more. Love our family and friends more. And meet virtually! And all of us are learning new ways to help and serve. Let's keep it up. We are making a difference.

What are our Rotarians up to while staying at home?

A shout out to Cheryl's husband Keith Holt who is working overseas. He just brought a 747 full of medical supplies to the United States.

Cheryl is staining the porch and has a long honey do list for when Keith comes home.

Eileen walks her dog and the dog walks her.

Jurgen and Maggi are still in Europe. They stay busy with cooking and biking.

Huntersville Happy Hour
Chartered June 16, 2014

Gay loves her dogwood flowers, even on windy days like today !!

Kim found a baby cardinal in her yard and she took him in for the night and fed him cat-food with an eyedropper. The next morning, we were able to reunite him with his parents and the rest of the week we've watched his parents work with him on his flying. He's come a long way in a week, and it's been amazing to keep track of him and watch him grow.

John planted a pollinator garden (from seed) for the 50th anniversary of Earth Day. Fun fact, Earth Day was started in Wisconsin.

Mike helped Keith with his honey-do list moving rock in the garden.

Bob celebrated Earth Day by fixing the sprinkler system in the garden.
