PRESIDENT'S MESSAGE

By Mike Fitzgerald

I hope everyone had a great Easter Weekend Celebrating with family and friends! It feels like we haven't had our regular Monday night meetings forever.

This Monday night our guest is Shelly Henderson. Shelly will share with us her book *Starting from Scratch, One Woman's Pursuit of Family, Business, and the American Dream.*

I look forward to seeing everyone Monday night and don't forget to bring a friend!

Monday April 29 Shelly Henderson

Shelly L Henderson has owned Henderson Properties, a successful real estate business for twenty years. She and her husband Phil started their business before there was Google, social media, or mobile phones. While they were starting their business, they started a family. The lessons Shelly learned are invaluable so in 2018, she graciously decided to share them with the world in her book *Starting from Scratch*. Today, Shelly shares hilarious, and true, stories of life as a business owner, wife, mom, carpool chauffeur, fashionista, life liver, and joy bringer. Shelly will give you tips on how to Start From Scratch every day, why it's important to have a firm foundation, and why the people around you should be a team. She hopes you will leave with more determination and encouragement to go out and Start From Scratch making each new day your best day whether at home or at work. Follow Shelly on Instagram and Facebook @shellylhenderson.
