Community Service - Sunday March 21 – Blood Drive

Our Rotary Club and the American Red Cross hosted a blood drive from 11:30 am to 5:30 pm at Spare Time Bowling, 16317 Statesville Road, Huntersville.

Blood donations are in great demand and as Rotarians, we showed our support by rolling up our sleeves and getting the job done. **We filled every one of the 32 slots!** We had two volunteers per shift to volunteer by taking temperatures and checking in blood donors.

We collected 23 units of blood, what has the potential to save up to 69 lives!
There were 13 first time donors!

The need for blood is constant and only volunteer donors can fulfill that need for patients in our community. Nationwide, someone needs a unit of blood every 2 to 3 seconds and most of us will need blood in our lifetime.

Club Service – President Elect Eileen Solomon

Due to the pandemic, PETS (President Elect Training) was facilitated via “Zoom” this year. Eileen, our incoming president, joined over 500 incoming presidents for nine hours of online training spread out over three days. They listened to engaging speakers, meaningful content and technical assistance. The new theme “Serve To Change Lives” was presented by incoming Rotary International President Shakar Mehta who was actually on the “Zoom” call from India! Shakar encourages us to be the “Change Makers” through club service. By sharing our personal Rotary stories, we can inspire others to join us.
