PRESIDENT'S MESSAGE

BY EILEEN SOLOMON

Last week's guest speaker, Kara from the Roc Solid Foundation, shared an inspiring video about providing hope for families facing Pediatric cancer. A cancer survivor herself, Kara gave an account of her journey back to health. By providing ready packs filled with essentials for hospital stays and building backyard play gyms, the Roc Solid Foundation makes a difference in the lives of children in treatment and lets families know they are not alone. Since I will be in Oregon visiting my daughter, Kent will be filling in and leading our meetings until I return on August 30th.

Monday August 9
Kent Pike
Trip to Croatia
Kent and his family just returned from Croatia, a country in Southeast Europe on the Adriatic Sea.

Monday August 16 - Paige & Smera – SFTL

Last week's Program Kara Bonvillian – RocSolid

Roc Solid Foundation builds hope for kids fighting cancer by offering opportunities for them to do what they do best – PLAY.

Community Service - Hinds Feet Farm

We made the newspaper! Thanks to all Rotarians involved in this project!

Huntersville Rotary project enhances Hinds' Feet Farm

HUNTERSVILLE – A local civil club's community service project will enhance the opportunity for expanded activities and daily programs at a facility dedicated to helping adults cope with traumatic brain injuries.

After consulting with Hinds' Feet Farm Director Marty Foil about options for additional assets at the center off Black Farms Road, members of the Happy Hour Rotary Club of Huntersville set about the planning and fundraising to turn a vision into reality.

Through club events and a matching grant opportunity – and some hands-on teamwork by the local Rotarians – the club recently completed the installation of a brick paver patio space and several large planter boxes.

The patio space provides a level area for outdoor therapy sessions and the planter boxes will be used by Hinds' Feet Farm residents and members for container garden projects.

For the project, spearheaded by club member Eric Franzen, the local club raised

\$8,000. Franzen has been selected to receive Distinguished Rotarian of the Year

honors later this month.

Hinds' Feet Farm is a 21-year-old facility

that offers day and residential programs emphasizing a holistic and wellness approach to help people living with traumatic brain injuries.

The day programs, offered at the main campus in Huntersville and at a center in Asheville, focus on cognitive, emotional, physical, creative, social and pre-vocational activities. And the residential facilities at the Black Farms Road complex provide accommodations and programs for adults requiring varied degrees of daily living assistance.

Residential program members are encouraged to engage, interact and participate in the ongoing activities of the day programs as well.

Hinds' Feet Farm is always open for donations and volunteer assistance, and a current need is for volunteers to help with the center's therapeutic horseback riding program. The daytime program will begin in May and those interested in helping can email arnborn@hindsfeetfarm.org. For additional information and other ways to help or donate, visit hindsfeetfarm.org.
