Club enhances HES communication options

HUNTSVILLE – Sharing the news about school events, projects and special recognitions is easier now at Huntersville Elementary School thanks to a contribution from a local civic organization.

Continuing a partnership with HES, the Happy Hour Rotary Club of Huntersville provided funding for the addition of an LED digital marquee now in service along the school's Gilead Road frontage. The marquee displays school announcements and updates.

This latest donation for a school project evolved based on a needs assessment provided by HES Principal Jeff Ruppenthal. Previously, the club raised funds for two outdoor canopies for picnic areas on the school campus.

Fundraising efforts from the club's Men That Cook event earlier this year raised \$5,000 targeted for the school marquee.

"Our club was able to double that amount through a Rotary District matching grant and purchase the sign," club president Mark Kincer said. "We are delighted the sign is up and ready for stu-

Town and school representatives, Happy Hour Rotary Club members and fifth grade members of the Huntersville Elementary School Safety Patrol (no doubt smiling due to the sign's message) at dedication ceremonies for the school's new marquee.

The matching grant came through Rotary District 7680, which serves 14 counties in the state's west-central region.

Huntersville Mayor John Anarella and Rotarians to dedicate the new school marquis, donated in collaboration by the PTA and the Huntersville Happy Hour Rotary and a District Grant. And we made the local newspaper!

2018-2019 Governor's Award for BEST Club in the district!
