Community Service - Hinds Feet Farm Update

Our club installed pavers and provided an even walking surface for the patients as they are having therapy-based walks and outside time. We installed the garden boxes and we even have our own sign on the planters. Thanks to all Rotarians that helped, but especially our fearless leaders Mark, Kent, Eric and Tom for taking this project on.

Community Service – Caterpillar ministries

Saturday October 17 members Kim, Steve, Eric and Shari painted the ceilings and walls of the new headquarters at Caterpillar Ministries at 12001 Cimmaron Road. Caterpillar Ministries serves the Huntington Green community of Huntersville, an impoverished and largely Hispanic area. The lease on their current headquarters has not been renewed, forcing them to move. This is another project we are doing with the Lake-Norman Huntersville Rotary Club.

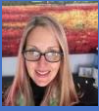

Community Service – Ada Jenkins Community Center

Saturday, October 10 members Kim, Shari and Shayna helped at Ada Jenkins, a community center assisting economically disadvantaged families in Davidson, Cornelius and Huntersville. They are located at 212 Gamble Street in Davidson. The Lake Norman-Huntersville Rotary Club needed additional help with a headquarters beautification project from 9am-noon. We mulched flower beds, lay stone, spray paint chairs, sand/paint picnic tables, weed and place edging and landscape fabric.

Community Service - Catawba Riversweep

Saturday October 3, 8 members of our club participated in a one day clean up event. They joined more than a thousand volunteers spread out over the entire Catawba River. Tailrace Marina supplied the kayaks, the bags and the dumpster. Afterwards a cookout was enjoyed by many. Thanks to Dana Hicks, Shari, John Beiler, Eric Franzen & family, Eileen & George, Kim & Steve and Bob & Ineke for coming out and cleaning the river!

Community Service - Hinds Feet Farm

Hinds Feet Farm is a resident (and day patient) facility that treats patients with traumatic brain injuries.

Our club installed pavers around the gardens and provided an even walking surface for the patients as they are having therapy-based walks and outside time. Rotary themed benches will also be installed to allow for rest areas and areas of repose for the patients, staff, and volunteers. Huntersville Happy Hour Rotary club will raise \$4,000 of the approximately \$8,000 in total cost. The other \$4,000 comes from a matching district grant.

International Service – Sponsorship

Shari Garcia from Mexico

Visiting from Mexico and our club sponsored Shari to be a student at CPCC studying International Business.
