PRESIDENT'S MESSAGE

BY KENT PIKE

Greetings Fellow Rotarians I hope this message finds you well. I am so grateful for fellow Rotarians Eric, Dana, and Walter taking charge and hosting our meeting last week.

I had the opportunity to escape to St. Croix and took full advantage of it and being treated like a local. The couple I stayed with was the Immediate Past President of the Rotary Club of St Croix and I had hoped to attend a meeting on the island, but unfortunately, they were not meeting in person, but I was invited to the ZOOM . It was a truly great 5-day getaway. I look forward to the 2nd half of my Rotary year as I have been refreshed.

Last night we had the Foundy's for the district we had great representation on the meeting from Bob, Ineke, Eileen, and Ashley. I encourage you to make a donation to the foundation <https://raise.rotary.org/district7680/fundraiser1> 50% of this money comes back to our district in 3 years, when we want to do a project, will need this money 3 years from now. Had you attended this event would have been \$100, consider making a donation because there was no meal included. Last night we raised \$5,555 for this endeavor as a district our goal is \$15,000. In addition, we were recognized as the #2 per Capita Annual Fund Club at \$353.54 in Annual Giving a Tremendous Honor. I am so proud of you our members and your charitable giving. Thank you! Thank you!

This week, we kick off with a board meeting and a look at fundraising for 2021, and how we proceed in the current environment. I look forward to seeing you all Monday at 5:30.

I spent time with family, put on weight, and took a break from work (for once).

Gay Rusidill

Because I was alone during the Christmas season, I enjoyed putting only ornaments of my family on my tree. I felt like they were with me!

Bob & Ineke Wilson

We spent Christmas and New Years in bed. Movie, nap, movie and napping again. We both did not feel good, but besides sleeping a lot, we feel good and are ready for what the new year brings.

Kevin Boyle

I had my 3 kids on Thanksgiving and Christmas Eve and the 4 of us put up a real Christmas tree together which is a first in my new home.

Community Service - Hinds Feet Farm Update

Our club installed pavers and provided an even walking surface for the patients as they are having therapy-based walks and outside time. We installed the garden boxes and we even have our own sign on the planters. Thanks to all Rotarians that helped, but especially our fearless leaders Mark, Kent, Eric and Tom for taking this project on.

Community Service – Caterpillar ministries

Saturday October 17 members Kim, Steve, Eric and Shari painted the ceilings and walls of the new headquarters at Caterpillar Ministries at 12001 Cimmaron Road. Caterpillar Ministries serves the Huntington Green community of Huntersville, an impoverished and largely Hispanic area. The lease on their current headquarters has not been renewed, forcing them to move. This is another project we are doing with the Lake-Norman Huntersville Rotary Club.

Community Service – Ada Jenkins Community Center

Saturday, October 10 members Kim, Shari and Shayna helped at Ada Jenkins, a community center assisting economically disadvantaged families in Davidson, Cornelius and Huntersville. They are located at 212 Gamble Street in Davidson. The Lake Norman-Huntersville Rotary Club needed additional help with a headquarters beautification project from 9am-noon. We mulched flower beds, lay stone, spray paint chairs, sand/paint picnic tables, weed and place edging and landscape fabric.

Community Service - Catawba Riversweep

Saturday October 3, 8 members of our club participated in a one day clean up event. They joined more than a thousand volunteers spread out over the entire Catawba River. Tailrace Marina supplied the kayaks, the bags and the dumpster. Afterwards a cookout was enjoyed by many. Thanks to Dana Hicks, Shari, John Beiler, Eric Franzen & family, Eileen & George, Kim & Steve and Bob & Ineke for coming out and cleaning the river!

Community Service - Hinds Feet Farm

Hinds Feet Farm is a resident (and day patient) facility that treats patients with traumatic brain injuries. Our club installed pavers around the gardens and provided an even walking surface for the patients as they are having therapy-based walks and outside time. Rotary themed benches will also be installed to allow for rest areas and areas of repose for the patients, staff, and volunteers. Huntersville Happy Hour Rotary club will raise \$4,000 of the approximately \$8,000 in total cost. The other \$4,000 comes from a matching district grant.

International Service – Sponsorship

Shari Garcia from Mexico

Visiting from Mexico and our club sponsored Shari to be a student at CPCC studying International Business.
