Previous program - Community Service

Rick Zoerb – Charlotte Mecklenburg Police

Rick is one of our Honorary Members.

After experiencing homelessness himself, Officer Rick Zoerb was determined not to let people in similar situations be forgotten or left struggling. He created the Charlotte Mecklenburg Police Department Community Emergency Needs Fund to allow other officers to help those they find in need while on duty.

The goal is to build relationships as they protect and serve the most vulnerable members of our community and to help meet their most immediate needs.

It's great not only talking about community service in theory but actually doing it.

Previous program - Youth Service

Erin Lyons – Huntersville Elementary

Erin is one of our Honorary Members and has been a huge part in getting projects done at Huntersville Elementary. Through her help we gave the school a marquis, shades at their picnic area and each year, we educate students and collect money to End Polio. Erin shared how teaching 5th grade during the Corona Virus is challenging. Each morning they have a 20 minute zoom meeting and go over the tasks for that day. Erin misses her students, but also enjoyed the free time she has now.

Previous program - International Service

Shari Garcia from Mexico

Visiting from Mexico and studying International Business at CPCC. Our club sponsored Shari to be a student. She shared her story.

Vocational Service

What is the fifth service in Rotary?

If you are an active, engaged Rotarian, you probably view vocational service as a way of life, even if you find it difficult to articulate a clear definition.

The concept of vocational service:

The Object of Rotary is a philosophical statement of Rotary's purpose and the responsibilities of Rotarians. The concept of vocational service is rooted in the Second Object, which calls on Rotarians to "encourage and foster":

- High ethical standards in business and professions
- The recognition of the worthiness of all useful occupations
- The dignifying of each Rotarian's occupation as an opportunity to serve society

As a Rotarian, how can you put these ideals into action?

- Talk about your vocation in your club, and take time to learn about fellow members' vocations.
- Use your professional skills to serve a community.
- Practice your profession with integrity, and inspire others to behave ethically through your own words and actions.
- Help a young person achieve his or her career aspirations.
- Guide and encourage others in their professional development.

Vocational Service is the very essence of Rotary. It is one of the main points that sets Rotary apart from other service organizations.
