Rotary Club of Huntersville

PRESIDENT'S MESSAGE

By Mike Fitzgerald

We are just over a week away from our 5 year anniversary! I am looking forward to celebrating our first 5 years with everyone along with the installation of our 2019-2020 President Mark Kincer.

Last Monday our guest speaker Nancy Ruppert shared with us some amazing facts about honey bees and their importance with the worlds crops. This Monday our guest is Michael Sass the founder of Catalyst Academy here in Huntersville.

We'll see everyone Monday night and please don't forget to bring a friend!

Program June 10 – Michael Sass Catalyst Academy

Catalyst Academy provides personal financial education and individual coaching. They provide support to individuals and families of all income levels who are experiencing stress with their finances. They provide their clients HOPE, a PLAN, and a trusted experienced PARTNER.

Last week's program – Nancy Rupert Beekeeping

This meeting features Nancy Ruppert, one of 6 very talented state apiary inspectors (and the only female, by the way). Nancy has been an NC Department of Agriculture and Consumer Services apiary inspector since August of 2010 and she covers the 17 counties along the North Carolina coastal region. A registered nurse since the 1980's, Nancy worked almost 20 years as a family nurse practitioner before changing to what she calls a less stressful occupation. Nancy's Montgomery county residence has been home to her own apiary for 15 years. Her particular apiary interests include hive pests and diseases, honey bee nutrition, and reducing honey bee stress.

Youth Service

Mallard Creek High School

Student receives \$2,500

5 Charlotte area high school students joined the Charlotte Rotary meeting to be honored as Interact winners ~ each of a **\$2,500 Service Award college scholarship** funded by the Rotary Club of Charlotte. Club President Mike Hawley welcomed their high school principals, teachers and administrators, Charlotte Mecklenburg Schools Superintendent Dr. Clayton Wilcox, Interact Advisors, and the families of our scholarship winners.

One of the honorees was:

- Raahil Madhiwala, Mallard Creek High School, who will attend UNC-Chapel Hill

Criteria includes active membership in Interact which consists of demonstrating outstanding community service via programs which enrich local communities as well as international projects ... all with a focus on Service Above Self. Camille, Paula, Kiera, Raahil and Taylor each spoke briefly about her/his Interact experience and its impact on her/his life and future college plans. It was especially thrilling to hear such intelligent, well-spoken and generous high school students recap their community service experiences with a firm commitment to continue that lifestyle in the future ... to remain active with Interact and Rotary.

International Service

Global Grant in India

In partnership with the Rotary Club of Trichur Central, RI District 3201, South India, our club has provided \$1,000 through a District Global Grant to collaborate in our humanitarian effort to provide low cost shelters to twenty five poor families, who have lost their homes in the devastating floods that struck the state of Kerala, India in 2018.
