PRESIDENT'S MESSAGE

By Mike Fitzgerald

I can't believe it is the end of our Rotary Year! It has been great being our club President and I am excited for our New Year with Mark leading us to bigger, better and bolder things! That's just the way our club rolls!

Our guest speaker Monday is Dr. Ginni and Randy Gross. Dr. Ginny will share with us her unique Chiropractic technique call Network Spinal Analysis.

5 YEAR ANNIVERSARY

By Bob & Ineke Wilson

It started 10 years ago with "a visit to the International Convention in Birmingham, and 'oh let's stop for a few days in Holland' and 'why not visit a Rotary Club in Amsterdam?'" As it turned out, the only club that met on that particular night was an evening club on the corner of the Red Light District. We went and found it refreshing to find young professionals conducting their meeting in English. They had no meal, had a beer with their colleagues enjoyed a Rotary program and talked about community service. The evening made an impression on us.

We started the Huntersville Happy Hour Rotary Club 5 years ago. We began at Dressler's with 20 members. We are so proud of our club has accomplished. WE ARE A ROTARY CLUB, in the truest sense of the word! 11 of the original charter members are still here. We have grown our membership to 25, but our real growth can be recorded by what we've done.

We are community leaders, that meet frequently to share ideas and take action. Our club has won many district awards over these five years, but the real winners are those we've served...the special needs kids that went to Disney with Ace and TJ, the family that lives in the Habitat House that we built, the students at Grand Oak Elementary that now have a garden, the students at Huntersville Elementary that have shade at their refreshed picnic area and the 15 non-profits that got \$25,000 awarded this year.

Thanks to all the past presidents for their leadership and to all the members that continue to give 100%. We all came as members but have become Rotarians! Congratulations.
