**PRESIDENT'S MESSAGE**

**By Mark Kincer**

Happy Sunday Happy Rotarians! I hope you have had a great week with the economy slowly opening and the weather being absolutely perfect. What an incredible message that we heard from Rick last week. His personal commitment to his beliefs has inspired me to continue to look for ways to better help our community. You don't have to look very far around yourself to find someone that needs assistance. Keep your eyes open!! This weeks program will be our President elect's planning meeting. Let's plan on being online and seeing what we can do to make Kent's year a rousing success. "See" you tomorrow!

**Club Service – Weekly Zoom Meetings**

## Last week's program - Community Service Rick Zoerb - Charlotte Mecklenburg Police

Rick is one of our Honorary Members. After experiencing homelessness himself, Officer Rick Zoerb was determined not to let people in similar situations be forgotten or left struggling. He created the Charlotte Mecklenburg Police Department Community Emergency Needs Fund to allow other officers to help those they find in need while on duty. The goal is to build relationships as they protect and serve the most vulnerable members of our community and to help meet their most immediate needs.

It's great not only talking about community service in theory but actually doing it.

## Previous program - Youth Service

### Erin Lyons - Huntersville Elementary

Erin is one of our Honorary Members and has been a huge part in getting projects done at Huntersville Elementary. Through her help we gave the school a marquis, shades at their picnic area and each year, we educate students and collect money to End Polio. Erin shared how teaching 5<sup>th</sup> grade during the Corona Virus is challenging. Each morning they have a 20 minute zoom meeting and go over the tasks for that day. Erin misses her students, but also enjoyed the free time she has now.

## Vocational Service

### What is the fifth service in Rotary?

If you are an active, engaged Rotarian, you probably view vocational service as a way of life, even if you find it difficult to articulate a clear definition.

### The concept of vocational service:

The Object of Rotary is a philosophical statement of Rotary's purpose and the responsibilities of Rotarians. The concept of vocational service is rooted in the Second Object, which calls on Rotarians to "encourage and foster":

- High ethical standards in business and professions
- The recognition of the worthiness of all useful occupations
- The dignifying of each Rotarian's occupation as an opportunity to serve society

### As a Rotarian, how can you put these ideals into action?

- Talk about your vocation in your club, and take time to learn about fellow members' vocations.
- Use your professional skills to serve a community.
- Practice your profession with integrity, and inspire others to behave ethically through your own words and actions.
- Help a young person achieve his or her career aspirations.
- Guide and encourage others in their professional development.

Vocational Service is the very essence of Rotary. It is one of the main points that sets Rotary apart from other service organizations.
