Volunteers needed to help pack lunches.

The students receiving the lunches are all in North Mecklenburg County. They live in Huntington Green (Huntersville), Deerhill Apartments (Huntersville), Oakhill Apartments (Davidson), and the Smithville neighborhood (Cornelius).

The children sign up for the program through Caterpillar Ministries (Huntington Green), The Neighborhood Care Center in Cornelius (Smithville), and through the Management Office at the two apartment complexes. Angels and Sparrows typically deliver to one central location and the students pick up from there.

Youth Service – SFTL

We are sponsoring 2 students this year:

Paige Reed from Hopewell High School and Smera Chandan from Pine Lake Prep.

Community Service – Saturday May 1 Lydia's Loft

Our club members John, Eileen, Tom, Joyce, Kent, Shari, Eric and Charlotte helped with sorting the clothes and spruce up the planting beds with pine straw.

Club Service – Distinguished Rotarian Eric Franzen

We would like to Honor Eric Franzen as our Distinguished Rotarian. He has been the Backbone of our club this year, with the pandemic. He has kept us operating with technology and websites on fundraising and events. Without the IT support that he provided it would have been a challenge. In addition Eric stepped in and made our District Grant project at Hinds Feet Farm a success! This year Eric made an impact and we are truly grateful he chose to serve with our club!

Huntersville Rotary project enhances Hinds' Feet Farm

HUNTSVILLE – A local civil club's community service project will enhance the opportunity for expanded activities and daily programs at a facility dedicated to helping adults cope with traumatic brain injuries.

After consulting with Hinds' Feet Farm Director Marty Foil about options for additional assets at the center off Black Farms Road, members of the Happy Hour Rotary Club of Huntersville set about the planning and fundraising to turn a vision into reality.

Through club events and a matching grant opportunity – and some hands-on teamwork by the local Rotarians – the club recently completed the installation of a brick paver patio space and several large planter boxes.

The patio space provides a level area for outdoor therapy sessions and the planter boxes will be used by Hinds' Feet Farm residents and members for container garden projects.

For the project, spearheaded by club member Eric Franzen, the local club raised

\$8,000. Franzen has been selected to receive Distinguished Rotarian of the Year

honors later this month.

Hinds' Feet Farm is a 21-year-old facility

that offers day and residential programs emphasizing a holistic and wellness approach to help people living with traumatic brain injuries.

The day programs, offered at the main campus in Huntersville and at a center in Asheville, focus on cognitive, emotional, physical, creative, social and pre-vocational activities. And the residential facilities at the Black Farms Road complex provide accommodations and programs for adults requiring varied degrees of daily living assistance.

Residential program members are encouraged to engage, interact and participate in the ongoing activities of the day programs as well.

Hinds' Feet Farm is always open for donations and volunteer assistance, and a current need is for volunteers to help with the center's therapeutic horseback riding program. The daytime program will begin in May and those interested in helping can email arnborn@hindsfeetfarm.org. For additional information and other ways to help or donate, visit hindsfeetfarm.org.
