

LED SIGN PACKAGE

20 mm HD Full Color Display

SOFTWARE:

Your display is only as good as the company behind it. Michiana Signs & Lighting offers you the best software, content, training and marketing support to get the most out of your marketing efforts

Our Artistic Creative 7 Software allows you to combine text, photos, video and animation. You will be able to scale, crop, animate and add creative effects to your digital messages

FREE CONTENT CREATION:

Professional content will ensure that you achieve the highest return on your investment when utilizing your LED sign

In addition to the Artistic Creative 7 Software, our graphic design staff will design all your videos or static ads at no additional cost. Our design program is unlimited and the laptop you receive will have (300) professional advertisements ready to use when you receive your sign. We will have (4) professional slides or videos, specific to your business, loaded on the displays when you receive them from our distribution center. During the training, our corporate trainer will explain the advertising design process in great detail

ADVERTISEMENT PARAMETERS:

Each client is allowed to request (1) new "Ad" per business day. Multiple ads may be submitted at a time with indication of the order you would like to receive them. However you will receive (1) Ad at a time; turnaround time 48 hours, from receipt requests until it has been completed. This is subject to change upon volume requests. If this occurs you will be notified if turnaround time exceeds then normal 48 hours. All Ad request must be submitted before 3 P.M. central time
