

Elegía a la Humanidad

“Odisea Libertaria de América”
El respeto al derecho ajeno es la paz.

1776-1867

La educación de una civilización solo puede fincarse sobre la base de dos grandes bastiones: la correcta enseñanza de la historia y el ejercicio práctico de los oficios y profesiones concernientes a la producción de bienestar para la existencia de la vida.

La ausencia de una historia integral sobre el choque de Europa contra América hace más de 500 años y sobre su consecuente proceso de independización, es responsable de la tensión entre los contrapesos geopolíticos del nuevo y el antiguo mundo, que actualmente se proyectan como una sombra de extinción.

América fue impactada por Europa hace más de 500 años, y su proceso de independencia, debe de ser enseñado como una larga y extenuante lucha por la libertad en América contra invasores de ultramar. Comenzando en 1776 con la declaración de independencia de América del Norte y terminando en 1867 con la expulsión del último ejército de invasores de ultramar y la victoria de toda la América, que desde entonces después de casi cien años de guerra quedó libre de invasiones transatlánticas.

Fue un serio conflicto que se detonó en el Norte de América, se extendió por todo el continente y culminó en México. México es el gigante que, habiendo sido esclavizado durante 300 años por el imperio Español, mutilado y cercenado por sus hermanos del Norte y adormecido por una iglesia inquisitoria, que poseía legalmente más de la mitad de todos sus territorios, osó erguirse, para finiquitar la disputa por la libertad de América y expulsar al último ejército de invasores de ultramar.

México es el heroico pueblo que selló el acto final para erradicar de América a las monarquías europeas y que sin embargo, al igual que el resto de las naciones de América, incluyendo a Estados Unidos, sigue bajo el poder y la influencia de un sistema mundial de finanzas, que debe ser acotado y transformado en una maquinaria al servicio del bienestar de la vida a través del respeto y la fraternidad universal entre las naciones.

The score includes various musical notations such as dynamics (f, mf), articulation (accents, slurs), and performance instructions (e.g., 'crece', 'creche'). The score is divided into three systems, with the first system containing measures 250-252, the second system containing measures 253-255, and the third system containing measures 256-258. The score ends with a final cadence in measure 258.
