To Whom it May Concern,

It is my pleasure to recommend Rooftop Tech Inc . That has serviced our business over the past five years. We've hired them to handle our small maintenances and repair work on all our buildings, as well as our large commercial properties. They have replaced around ten thousand sq. at the El Rancho motel in Hallandale as well as, a ten thousand sq. ft. multifamily building in Hollywood FL.

Eugene Copaev, always give us very good prices as well as good service. He has always promptly answered any questions and communicates well when our office needs them, they don't delay and always come out quickly to address any issues we have. We are happy to recommend their services

If you have any question please don't hesitate to contact me to 954.922.3133

Sincerely,

Phil Saada

President
