Mr. Kadeem Leslie C/o Seton Hall University

Dear Mr. Leslie,

## RE:

## Publication Titled "The Full Student"

First let me congratulate you on your latest achievement as Author, with the soon to be release of your book "*The Full Student*". I am very proud of you and your many academic achievements to date, and

I am pleased to endorse your book and enclose my Statement for your publication as under:

"The Full Student offers a playbook for academic success for our youth who find themselves distracted in an increasingly busy and challenging world, one made more difficult to navigate during a pandemic. It encourages them to focus on their endeavours, from their formative years, as a window through which they can achieve success in later life. Kadeem's unique *Jamerican* perspective is invaluable and a source of inspiration to all who seek greater advance within the context of the 21<sup>st</sup> century", Olivia "Babsy" Grange, CD, MP, Minister of Culture, Gender, Entertainment and Sport, Jamaica

I wish you every success with your launch.

Sincerely,

Olivia Grange, CD, MP.
