THE POWER OF FULL SPECTRUM *Wellness*

100+
MG CBD
PER SERVING

With each serving of our high-potency Full Spectrum CBD Oil, you're not only getting **100+ mg of active CBD**, you're also getting good amounts of CBT, CBC, CBN, and numerous other cannabinoids which work together in "the entourage effect" to help balance the body and the mind.

THE ENTOURAGE EFFECT

When cannabinoids, terpenes & other natural compounds work together, they create a powerful **synergy** that may enhance their individual benefits.

MORE YOU

MEET THE POWERHOUSE CANNABINOIDS IN OUR FORMULATION

CBD

Causes a cascade of "homeostasis" through the entire immune and central nervous system. It is shown to help reduce aches, discomfort, brings relief from stress and much more.

CBT

May help to balance mood and help increase the health benefits of CBD due to the entourage effect.

CBC

A potent cannabinoid which may be nearly 10 x's effective as CBD for relieving discomfort.

CBN

Shown to help regulate the immune system and works to relieve discomfort and may improve quality of sleep.
