

Due: March 21, 2019

Name: _____

NASA Mission Project

Choose from one of the following:

- 1) Group - With one other student develop a PowerPoint that covers all the required information listed below for your designated NASA Mission
- 2) Solo - On your own, develop a 3 page report that covers all the required information listed below for your designated NASA Mission.

☐ NASA Mission

☐ Other

Required Information:

- ☐ Name of Mission
- ☐ Dates Active
- ☐ Place(s) Visited
- ☐ Mission Objective
- ☐ Cost of the Mission
- ☐ Discoveries
- ☐ Important/ Interesting Facts
- ☐ Follow Up Missions

PowerPoint should be 8- 10 slides in length. Include pictures and ensure text is brief / to the point. You should be able to elaborate on each slide. Ie: Don't just read the text word for word on each slide. PowerPoint should be typed up and shared by due date.

Report should be 3 pages in length. It should be organized into paragraphs that focus on each of the above topics. Report should be typed up and shared by due date.

*Use your school account to create your PowerPoints/ Reports and ensure they are shared by the due date with Ms. Larsh.
