

Sacramento Valley Gay & Lesbian Softball Financial Aid Policy & Application Process

Creation and Purpose

In 2011 the SVGLS Board of Directors established a Financial Aid Fund, referred to as “The Fund” as part of its annual budget to assist players in payment of league membership dues/player fees and allow participation of those individuals with demonstrated financial need. The SVGLS Treasurer establishes a line item each year in the budget adopted by the full Board, the total amount available varies from year to year based on donations. Expenditures, grants, and donations related to the fund are kept separate from other SVGLS budgetary items.

Fund Management

Financial Aid “Fund Administrator” shall be the SVGLS Treasurer, subject to the approval of the Board of Directors. An application review committee including at least two (2) additional league members, one (1) from each division, appointed by the Treasurer and approved by the Board, assists the Treasurer. Committee members shall serve for terms of one (1) year, renewable at the discretion of the Treasurer with the approval of the Board.

The Fund Administrator is responsible for:

- Administering the fund;
- Keeping accurate financial records of donations, income, disbursements, and expenses;
- Appointing committee members;
- In collaboration with the committee members, assessing and evaluating requests for financial aid in a timely manner;
- Reporting activities of the committee to the SVGLS Board as requested by the Commissioner;
- Promoting the fund, representing the fund at League and team meetings if requested by the Commissioner or managers, and organizing fundraising activities to build and grow the Fund.

Committee members shall be responsible for meeting to assess and evaluate requests for financial aid and render financial aid decisions accordingly. The Committee shall meet as often as necessary to process applications in a timely manner. Meetings may be conducted by telephone conference call, if all members are agreeable and all relevant application data is available to all members.

The SVGLS Board shall sanction at least one fundraising activity or sponsorship opportunity per year with a portion of the proceeds from the fundraiser going to maintain The Fund. If there are funds remaining in The Fund after all financial aid disbursements have been made, the excess funds shall remain in the SVGLS account and carried over to the following year.

A player may submit no more than one (1) request for financial aid per year.

Award Decisions

The Committee will act on each application and inform the applicant at least seven (7) calendar days prior to the deadline. A majority vote of the Committee shall be sufficient to confer an award. The Fund Administrator/SVGLS Treasurer will disperse funds directly to cover league-imposed membership dues and player fees. No payments shall be made directly to financial aid recipients.

The Committee cannot make financial aid awards in excess of funds available for disbursement and shall have sole discretion in reducing, denying, or making partial awards as necessitated by fund availability. The committee shall not lend any monies from The Fund.

Any member who receives a financial aid award whose financial status changes, reducing the player's financial need, shall not be required to return financial aid funds, as long as the member has acted in good faith. The Fund Administrator may recommend that the member make an in-kind contribution to the fund.

The Committee and Fund Administrator may consider late applications, at their discretion, if applicants have met all the other eligibility criteria and only after initial awards for on-time applicants have been made.
