

Exciting News: Dr. Stacey's Practice is Relocating!

I'm very excited to announce that starting May 1st, 2024, my chiropractic practice in South Winnipeg will move to a new location, and operating under the name of **Bridgewater Chiropractic**. Even though this might seem like a big change, I want to assure you that my commitment to giving you great chiropractic care stays the same.

New Place, Same Care:

Bridgewater Chiropractic will be at 1-395 Centre St, Winnipeg MB, in the Bridgewater Centre / Waverley West area of South Winnipeg. It will be housed within the clinical space at Complete Physiotherapy.

This exciting move allows me to create a practice space that matches my core practice values and clinical approaches. I have selected this new location with care to better serve the needs of our community and to ensure that everyone continues to receive the highest standard of care.

It's important to note that although I am moving to a new location, it is my hope to ensure any transition is as smooth and seamless as possible, maintaining continuity of care at every stage.

What You Can Expect:

- * **Personalized Care:** The focus on personalized care tailored to each individual's unique needs will always remain unchanged.
- * **Easy Communication & Support:** The new online booking system makes it simple to schedule appointments and get help when you need it.
- * **Continued Care:** With help from my hand-picked support team, we'll make sure your care keeps going without any bumps.
- * **Connecting with the Community:** I'm excited to be more involved in the South Winnipeg community and be a trusted healthcare source for everyone.

Stay in Touch:

Change can be scary, but my team and I are here to help. If you have any questions or worries, please reach out (**Message me HERE**) I value your feedback and want to make this transition as smooth as possible for everyone.

Thank you always for trusting me with your care.

Dr. Anne Stacey & colleagues acknowledges we are on Treaty No. 1 land, the ancestral lands of the Anishinaabeg and Ininiwak. These lands are the unceded territories of the Dakota, and the homeland of the Métis Nation. We are committed to reflecting the continued legacy of all the original peoples of this province, including the Ithiniwak, Denesuline, Anishininiwak, Inuit, and Nakota. We acknowledge the harms of the past, are committed to improving relationships in the spirit of reconciliation, and appreciate the opportunity to live and learn on these traditional lands in mutual respect.
