

## **Bridgwater Chiropractic... Open for YOU!**

It's been a little over a month since I started with Bridgwater Chiropractic, and I believe that I have been able to create a space that is warm & welcoming to all.

### **Direct Billing to Most Extended Health Plans**

In addition, with the support of a talented team (thank you Samantha!), we can offer **direct billing** to most extended health benefit plans, as well as MPI and WCB billing. What this means is that, whether you are here for wellness care, for managing those aches and pains resulting from your favorite sport or activity, or for recovery from a car accident or workplace injury, the *only focus* during your time in this space is helping you feel **amazing**.

### **Stay in touch!**

If you have been following along any social media or blog postings, you may have noticed some updates and activity on **Facebook**, **Instagram**, or **Blog** posts in the last while. Again, through collaboration with some exceptionally talented individuals (thank you Melissa!), more resources and interesting

information are now easily available to you.

**Book Your Next Appointment Now!**

Dr. Anne Stacey & colleagues acknowledges we are on Treaty No. 1 land, the ancestral lands of the Anishinaabeg and Ininiwak. These lands are the unceded territories of the Dakota, and the homeland of the Métis Nation. We are committed to reflecting the continued legacy of all the original peoples of this province, including the Ithiniwak, Denesuline, Anishininiwak, Inuit, and Nakota. We acknowledge the harms of the past, are committed to improving relationships

in the spirit of reconciliation, and appreciate the opportunity to live and learn on these traditional lands in mutual respect.
