EV - Extreme Velocity!!

Aramora's Can't Drive 55 At Doxford TKN

EV is from the first litter sired by Amber's son, Canyon
(CH Doxford's Just Call Me Grand) and we have high hopes for her.

She is pretty, well balanced, and extremely intelligent! EV earned her trick dog novice title on her 6 month birthday!! Seen above with sweepstakes judge Teresa Plawman, Sonja, and breeder Jan Tesch at the Waukesha Kennel Club show, July 2022. EV was just 7 months and 2 days old and was Best of Opposite in Sweepstakes and Reserve to the major at the supported show! The next day she won Winners Bitch at the Elkhorn, WI show.
