

Instructions for Obtaining CE Credit: 16th Annual Philadelphia Prenatal Diagnosis Conference

Continuing Medical Education Credits

For Physicians

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of The George Washington University School of Medicine and Health Sciences and the Philadelphia Prenatal Conference. The George Washington University School of Medicine and Health Sciences is accredited by the ACCME to provide continuing medical education for physicians.

The George Washington University School of Medicine and Health Sciences designates this **Live and Enduring Activity** for a maximum of **50 AMA PRA Category 1 Credit(s)TM**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals

A certificate of participation will be provided to all other healthcare professionals for requesting credits in accordance with state boards, specialty societies, or other professional associations.

Many societies and credentialing bodies accept the AMA PRA Category 1 CreditTM as an equivalent if the topic is relevant to the applicant's field or discipline.

If participants have doubts whether an activity will qualify for CE, they should contact their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit(s)TM* for re-licensure registering for the course.

Midwives, Nurse Practitioners, and Registered Nurses

The American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit(s)TM* issued by organizations accredited by the ACCME (Accreditation Council for Continuing Medical Education).

For the purposes of re-licensure most State Boards of Nursing accept *AMA PRA Category 1 Credit(s)TM* for attendance at structured learning activities offered by organizations accredited by the ACCME.

Midwives, Nurse Practitioners and Registered Nurses may receive a maximum of **30 hours of Category 1 credit** for completing this course.

Physician Assistants

The National Commission on Certification of Physician Assistants (NCCPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit(s)*[™] from organizations accredited by ACCME or a recognized state medical society.

Physician assistants may receive a maximum of **30 hours of Category 1 credit** for completing this course.

To Obtain Continuing Education Credit

Please note:

1. To claim CE credit for participating, you must have an **EthosCE learner account** with a registered mobile number.

- **I am not able to attend the entire Live Conference, can I attend the Enduring Conference and continue with the educational courses to achieve the maximum CME credits I registered for?**
Yes. Your CME credits include the participation record both in the live conference and in the enduring conference.

- **Do I need to write down the courses I attend to claim the CMEs?**

No. If you attend the conference in-person, you need to check in and check out daily. If you join virtually, our conference platform automatically tracks your participation and keeps a record.

- **What is considered as ‘completion’ of a lecture?**

When the participation time of a lecture achieves 90% and above, the lecture is considered completed.

- **Can I claim the CME credits for sessions which were registered for free?**

CME/CE credits will NOT be granted to attendees who register for free. If you wish to claim the credits, you will have to register and pay the registration fee.

- **I am a physician, am I able to get the AIUM (The American Institute of Ultrasound in Medicine) certification from this conference?**

Our conference provides up to a maximum of 44.25 hours of ultrasound course credits for physicians including OB Ultrasound, Fetal Anatomy and Fetal Echo. Upon completing of the courses, you need to send an email request to prenataldiagnosis.conference@gmail.com for the AIUM report. We will issue you the participation record of the ultrasound courses. Together with the *CME certificate*, you can certify with the AIUM.

- **I am a physician, how many CME credits I can claim per different registration types?**

	Physician MD/ PhD/DO - All Three Days	Physician - Fetal ECHO & Ultrasound - 4 days (3+1 days)	For Physicians ONLY up to 45 CME (3+2 days)
