

Date: January 15, 2025

Dear Exhibitor,

On behalf of the course directors and the organizing committee, we are delighted to invite you to exhibit and sponsor our upcoming conference: **“The 17th Philadelphia Prenatal Diagnosis, Genetics, Ultrasound, Obstetrics & MFM Conference.”**

This CME/CEU-certified activity will be held **LIVE** and as a **Hybrid meeting** with **live streaming and enduring access** from **June 5, 2025, through December 31, 2025.**

Based on the overwhelming success of our previous conferences, which attracted over 1,000 healthcare professionals, we anticipate even greater participation this year.

Our target audience includes Maternal-Fetal Medicine specialists, General Obstetricians/Gynecologists, Geneticists, Pediatric Cardiologists, and other OB providers (Midwives, NPs, PAs), as well as Medical Sonographers, Genetic Counselors, and all healthcare professionals caring for pregnant patients.

This activity is jointly sponsored and supported by The George Washington University School of Medicine & Health Sciences Continuing Education in the Health Professions (CEHP) Office (The AACME credits Provider) and the Philadelphia Prenatal Diagnosis Institute/The Philadelphia Pregnancy, Genetics, and Ultrasound Center.

In addition to CME credits, we will offer:

- CEs for nurses,
- CEUs for genetic counselors (Pre-Approved by NSGC/ABGC), and
- CMEs for sonographers (Pre-Approved by SDMS/ARDMS).

Exhibit and Sponsorship Opportunities

Exhibit and sponsorship funds raised will help cover conference expenses and discounted registration fees.

Exhibitors will receive both:

- A **live exhibitor booth** during the in-person event, and
- A **virtual exhibitor booth** is accessible throughout the enduring event until **December 31, 2025.**

Additionally, your company will be promoted in all our marketing emails and advertisements related to the conference.

**The Philadelphia MFM & Prenatal Diagnosis Institute,
Pregnancy, Genetics and Ultrasound Center of Philadelphia**

201A N. 9th Street

Philadelphia, PA 19107
