

DRIVERS LOG: 23

Wow! What a first meeting! I dont know about you but i can hardly wait to do it again. Our club was a hit with Pedros and I am sure they will be happy to see us return for our next meeting.

Our Corvettes have brought us together but our like-minded ideas and "lets go have some fun" attitudes will keep us going strong.

If you see a fellow Corvette owner that you think is a good fit for our club, I encourage you to hand out your invitations and invite them to a meeting. We can never have enough good friends to obsess over our corvettes with.

I hope you enjoy our very first newsletter and am eager to see you all again soon.

Note: You will find many hot links and clickable media inside our high-tech newsletter. I encourage you to click to watch or explore and be sure to let me know what you think.

For those of you that have taken the time to visit the NCCC website, I'm sure you have struggled to find current information as have I.

Never fear, as it turns out, there is a members only site that stays up-to-date with all of the latest and greatest upcoming events and competitions within the NCCC. You may access this area as follows.

Click [HERE](#) to access the **NCCC MAIN WEBSITE**. (or go to <https://www.corvettesnccc.org>)

From there, click the members only button located in the top portion of the page.

Login credentials are as follows.

User: NCCCMember

PW: 2023Z07Coupe

(Note: both the User name and Password are Case-Sensitive! The "O" in Z06 is a zero, not the letter "O".)

Click [HERE](#) to access the **SOUTHWEST REGION WEBSITE**. (or go to <http://www.ncccsregion.org>)

From there, click the members only button located in the top portion of the page.

You will find lots of valuable information there including competition points standing, regional club directory, upcoming events all across the Southwest region as well as details on the awards banquet and the Annual National NCCC Convention.

Should you come across an area that asks you for a password, see below.

Thankfully the weather has finally cooled off!!! We can get back outside. The ballots are ready for each club to vote. If you need help getting to the ballot, please contact one of your Region officers for help. This is the first time clubs have been able to vote on competition changes – and there are a lot of them! You will be given a brief description of each change and then for more detail you can click on the link to go to the actual red-line write-up. The bylaws are displayed the same way. Voting closes just prior to the next meeting in November so you have time to talk to your club members and look at the ballot.

The link to the ballot items is at the end of this message.

Be sure to check out the candidates running for office. We have some great candidates that are certainly qualified. There are resumes attached to the candidates so you can take a look.

As of now, we do not have a convention for 2025. If you have an idea for one and can do some research prior to the November meeting- hotels, parking, banquet/meeting room availability and facilities for events- contact Allen Morris with your idea. It's a lot of work, but there are lots of people with experience that will step up to help.

We are also looking for an FCOA Director. We will be reviewing applications through the end of the year. We want to update the duties of the position as well as offer more suggestions for what the expectations are the program. We would like to keep the kids that turn 16 interested in NCCC so they stay as members. Applications are available on the website under Officers.

That's all for now. Safe travels and have fun!
