THE SCRIPTURE

Then it came to pass the seventh time, that he said, "There is a cloud, as small as a man's hand, rising out of the sea!" So he said, "Go up, say to Ahab, 'Prepare your chariot, and go down before the rain stops you.'" 1 Kings 18:44 (KJV)

YOU MUST SEE THE HAND OF GOD

There had been a famine in the land of Samaria because of all the evil King Ahab had done. The children of Israel suffered much because of the King's evil ways and deeds. The prophet Elijah spoke a word of the Lord and there wasn't rain for a span of three (3) years and six (6) months. Then the Lord spoke to Elijah and said there would be rain. Elijah sent the servant out seven (7) times looking for the rain. On the seventh time the servant came back saying, "I see a cloud small as a man's hand". Elijah told him to go tell King Ahab, rain was coming.

FOCUS THOUGHT

There come times in our life when we can't see the light of day because of all the dark things happening around us. We have problems in every area of our life; health, family, finances, job, neighborhood, government... the list goes on and on and on.

Have you ever wondered will there ever be an end? Is this problem going to ever be fixed? When will I be able to pay the bills on time? Will I ever get out of debt? Why does it seem I'm the only one going through a hard time?

I want someone to hear me today, if you keep looking and see the hand of God that has been a constant in providing for you; making ways for you; maintaining and sustaining you with each new day, you owe God a praise.

Remember, He sees you, He hears you and He understands everything you are going through most importantly He knows when the time is right for your breakthrough.

It's on the way. you just need to see the "hand of God".

I speak blessings and spiritual prosperity in your life,

Mother Donna Moyer
