THE SCRIPTURE

"Then the LORD said to me,
"Write my answer plainly
on tablets, so that a runner
can carry the correct
message to others."

WRITE THE VISION

Have you ever had an idea come to mind about hosting or sponsoring an event, gathering, luncheon, or program? Do you ever wonder why it never happened? Well let me give you some insight, the reason it never took off is because you failed to write it down when the thought first came into your mind.

that fears become irrelevant.*

FOCUS THOUGHT

In order to have success in doing any work for the Lord we must first write out the plan for how to execute the thought and bring it into reality. We can have big dreams, ideas and thoughts of things we want to accomplish but fail to put it in action and get it launched. My father, the late Elder Hugh T. McGill, always kept a notepad in his pocket to jot down every idea or thought that came to his mind regardless how small it may have been. It's not by chance how God allows these little bits and pieces on unconscious and conscious thoughts to come out of nowhere.

This "Mother's Touch" is a little different but I know it will bless you if you take the time to read between the lines and find the hidden nugget that is there for YOU.

Whatever has kept you from putting that idea into action. Now is the time to step out of your comfort zone and get busy. Greater is coming your way and it begins with you jotting down and outline every thought and idea to get it completed. Remember, write it down so that you and others may reap the benefits.

I speak blessings and spiritual prosperity in your life,

Mother Donna Moyer
