Recent & Relevant Experience

Director, Content & Communications; AI Corp. (2022-2026)

-Strategic lead for communications across pharmaceuticals, medtech, private education, and health services. Scope: content governance, messaging frameworks, web writing, SEO optimization, and public relations material.

Senior Clinical Content Writer; Cloudbyz (2021-2022)

-Wrote articles pertaining to clinical research, eConsent and pharmacovigilance content, and regulatory-aligned assets for life science SaaS platforms. Created internal briefs, SEO content, and public communications. [Cloudbyz Portfolio Sample](#)

Lead Content & Communications Writer; Banty (2021-2022)

-Developed communications for telemedicine and virtual care in diabetes. Contributed to sell sheets, physician-facing materials, policy briefings, government-facing messaging, and PR. Supported major pharma continuing education booths (GSK, Moderna, Pfizer, Novartis).

[Banty Author Link](#)

Business Technical Writer; Eflynn (2022)

-Produced technical documentation for digital kiosks and smart displays. Tasks included writing user manuals, web content, press releases, and process documentation.

Director of Literary & Scientific Projects; The Mercenary Writer (2019-2021)

-Supervised contractor medical and science writers. Scope: editorial review, clinical simplification, literature interpretation, and high-impact storytelling for mixed audiences.

Science & Medical Writer; Master Writer (2017-2019)

-Simplified and reframed technical content for clients in pharma and education. Focused on clinical data interpretation, regulatory readiness, and patient-facing summaries.

Medical Compliance Representative; Rexall – Head Office (2016-2018)

- Delivered patient compliance support through the One Stop Meds program, aligning medication refill cycles via synced partial fills.
- Instructed pharmacy teams across multiple locations on program protocol, documentation, and adherence strategies.
- Supported operational rollout of a system designed to improve medication pickup rates and chronic disease compliance.

Independent Consultant(2004-current)

-Contract-based writing, editing, and translation across health, biotech, public health, and adjacent verticals. Clients and content types span:

- Medical device documentation
- Grant and policy narrative shaping
- Contract and PR writing
- Investor education and product framing
