Never Walk Away

Verse

E

Your conscience holds you prisoner

Asus2

For sins not yet confessed

Bsus

You take the time

Bsus

To clear your mind

Asus2

But you always second guess

E

Bound by guilt you cower

Asus2

Adrift in your own wake

Bsus

Now you see the signs

Bsus

Between the lines

Asus2

But it all may be too late

Asus2

You have sealed your own fate

Chorus

Never walk away

B

Never turn your back on love

Asus2

(Never walk away)

Never doubt what you're sure of

The strength to stay

Asus2

'Cause after all the running I did

Asus2

I could never walk away

Verse

E

I've been wasting your time

Asus2

And led you on too long

I could not commit

Asus2

Asus2

You hung with me too long

Chorus

C#m7

Never walk away

B

Never turn your back on love

Asus2

(Never walk away)

Asus2

Never doubt what you're sure of
