

# Are We There Yet?

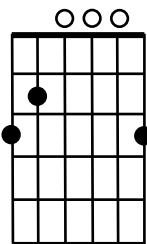

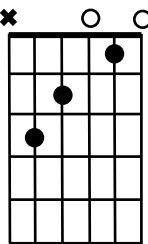

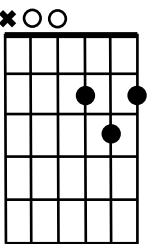

**Background:** A silly kids song based on that phrase we used to say as kids but I was adults we cringe when we hear it.

**Written:** 2024

# Are We There Yet?

## Verse (G C G D)

Well it's vacation time  
Locked in for the long car ride  
We're barely on the road  
The kids are hoppin' like toads  
This driver just wants to hide

The wife's about to cry  
It's all going awry  
This wasn't my decision  
This car's a prison  
Would've been better to fly

## Pre-chorus (C G D C)

We're barely on our way  
And I'm already in regret  
Cuz all I could hear  
From the backseat is  
Are we there yet?!?!?

## Chorus (G C G D G)

Are we there yet?  
Are we there yet?  
Are we there yet?  
Are we there yet?

## Verse (G C G D)

Breakfast was an hour ago  
But they're looking for food again  
Phones outta charge  
Boredom loomin' large  
And it ain't even half past ten

Can't believe what I'm hearin'  
They're sayin' "I gotta pee" again  
Well hold on tight  
You'll make it, alright?!?!?  
There's a gas station up ahead

**Pre-chorus (C G D C)**

We're barely on our way  
And I'm already in regret  
Cuz all I could hear  
From the backseat is  
Are we there yet?!?!?

**Chorus (G C G D G)**

Are we there yet?  
Are we there yet?  
Are we there yet?  
Are we there yet?

**Verse (G C G D)**

Traffic is at a crawl  
This car feels way too small  
My ears are ringing  
With the kids singing  
99 bottles of beer on the wall

I feel like I'm stuck inside  
That Disney Small World ride  
Where they play that song  
On and on and on  
Must've heard it a million times

**Pre-chorus (C G D C)**

We're barely on our way  
And I'm already in regret  
Cuz all I could hear  
From the backseat is  
Are we there yet?!?!?

**Chorus (G C G D G)**

Are we there yet?  
Are we there yet?  
Are we there yet?  
Are we there yet?

**Bridge (D C D C)**

Well I could use a beer  
Right now right here  
Maybe even 2 or 3  
This trip's end ain't near  
Stuck in second gear  
We've barely left DC

**Verse (G C G D)**

Got 500 miles to grind  
Only 50 miles behind  
The kids are driving me mad  
My driving's gotten so bad  
I may as well be driving blind

Now Smokey is stopping by  
Gonna see a grown man cry  
Another speeding ticket  
All I hear are crickets  
Next year we're gonna fly!

**Chorus (G C G D G)**

Are we there yet? (I gotta pee!)  
Are we there yet? (Hey Dad I'm hungry!)  
Are we there yet? (Stop touching me!)  
Are we there yet? (The joke's on me)

Are we there yet!!!
