

# Death Row

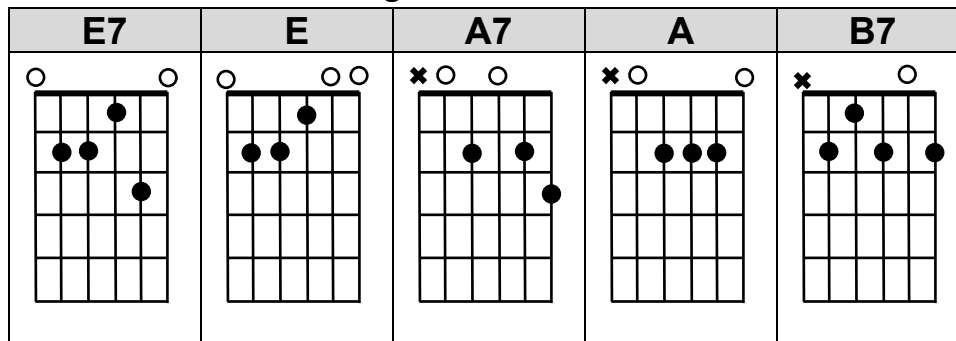

**Background:** A metaphor for anything that's getting you down be it a job, your significant other, or life in general. The song is a bluesy, funky, percussive song like Voodoo Child. It works well acoustic but could be a full band tune too.

### Bridge

**A7**

We've all had our bad days

**B7**

And even some worse nights

I can't keep looking back

Doing time

**E**

Here on death row

So you can crank up them volts

**B7**

Tell the firing squad to stand down

**A7**

Cuz I'm shootin' you down

**E**

From here on death row

**B7**

Tell the gallows to stand down

**A7**

Cuz I ain't gonna hang around

**E**

Not here on death row

**B7**

Tell that chamber to kiss my ass

**A7**

Cause I love that laughing gas

**E**

Here on death row

**B7**

Yeah I can't wait to go

**A7**

Cuz I can't keep living like I'm

**E**
