

Can't Wait for Yesterday

Background: Ever had that dream where you are falling then wake up suddenly? It feels so real, while the reality you wake up to sometimes seems so fake. I don't want to get to the end of the road wondering, did we really live or just survive?

Can't Wait for Yesterday

Verse 1

E

Looking down from this bridge

Asus2

Darkness hides the ground

E

Water laps the base

Asus2

Silence the only other sound

Bsus

Momentum carries you forward

Asus2

No turning back now

Bsus

Inertial forces bound you

Asus2

Gravity pulls you down

Verse 2

E

Blackness rushes towards you

Asus2

The wind whispers past

Bsus

You realize this path

Asus2

Will not bring you peace at last

Pre-chorus

C#m7

No stars left here to wish on

Bsus

The high road is gone

Asus2

Wish there was a path back

B

To yesterday's dawn

Chorus x2

E

Can't wait for yesterday

Asus2

Can't wait for yesterday

E **Bsus**

Can't wait for yesterday

Asus2

To come

Verse 3

E

Morning sun slips through the blinds

Asus2

Disrupting sleep's escape

E

For a split second you forget

Asus2

Then it hits you in the face

Bsus

A new day and life goes on

Asus2

The world doesn't wait

Bsus

Dreams can feel so real

Asus2

And reality so fake

Pre-chorus

C#m7

Life moves on

Bsus

But full circle comes 'round

Asus

With each pass around the sun

We lose a little ground

Chorus x2

E

Can't wait for yesterday

Asus2

Can't wait for yesterday

E Bsus

Can't wait for yesterday

Asus2

To come

Interlude

Pre-chorus

C#m7

You disintegrate from inside out

Bsus

Pain reminds you you're alive

Asus2

You spend your days pondering

Did you live or just survive

Chorus x2

E

Can't wait for yesterday

Asus2

Can't wait for yesterday

E Bsus

Can't wait for yesterday

Asus2

To come
