So Far Apart

Verse

G5

We long for connections

Dadd9

Yet push back for space

Em7

We look past answers

Cadd9

Staring us in the face

G5

We run from certainty

Dadd9

At a sprinter's pace

Em7

End up spinning wheels

D

In a losing race

Verse

G5

Your silence is a canvas

Dadd9

Where desperation paints

Em7

Your dreams in color

Cadd9

No physical constraints

G5

The colors bleed

Dadd9

Through subconscious restraints

Em7

A landscape desolate

D

All emotion drained

Chorus

C

Right beside you

G
But so far apart
D
Quiet desperation
Em7
Weighs on the heart
C
Tracing circles
G
No end no start
D
Right beside you
G
But so far apart

Verse

G5
We pay a high cost
Dadd9
When we forget the past
Em7
All the memories lost
Cadd9
Emerge as scars recast
G5
I'd forgive you now
Dadd9
And the curse you cast
Em7
Without you the days are long
D
And the night so vast

Chorus

C
Right beside you
G
But so far apart
D
Quiet desperation

Em7

Weighs on the heart

C

Tracing circles

G

No end no start

D

Right beside you

G

But so far apart

Bridge

Em7

Skim the surface

G **D**

Like a skipping stone

Em7

Underneath

G **D**

We're all just flesh and bone

Em7

Dragged beneath

G **D**

To swim the depths all alone

Em7

Left to drown

G **D**

For sins left unatoned

Verse

G5

The past exists

Dadd9

As fading memories

Em7

Tucked inside our minds

Cadd9

Sometimes so hard to see

G5

Reality is perception

Dadd9

Changing incessantly

Em7

The truth varies over time

D

Over time

Chorus

C

Right beside you

G

But so far apart

D

Quiet desperation

Em7

Weighs on the heart

C

Tracing circles

G

No end no start

D

Right beside you

G

But so far apart

D

Yeah right beside you

Cadd9

But so far apart

G5
